RIVERBEND CONDO ASSOCIATION

PROPOSED SHARED USE PATH PROJECT

CITY OF WHITEFISH, MT

JULY 2, 2016

History

- Six Foot Easement granted to the City in 1983 in exchange for 60 ft. of First St.
- Final easement location to be agreed upon by City & HOA
- Easement allows for a trail, City wants shared use path

Public Workshop Feedback

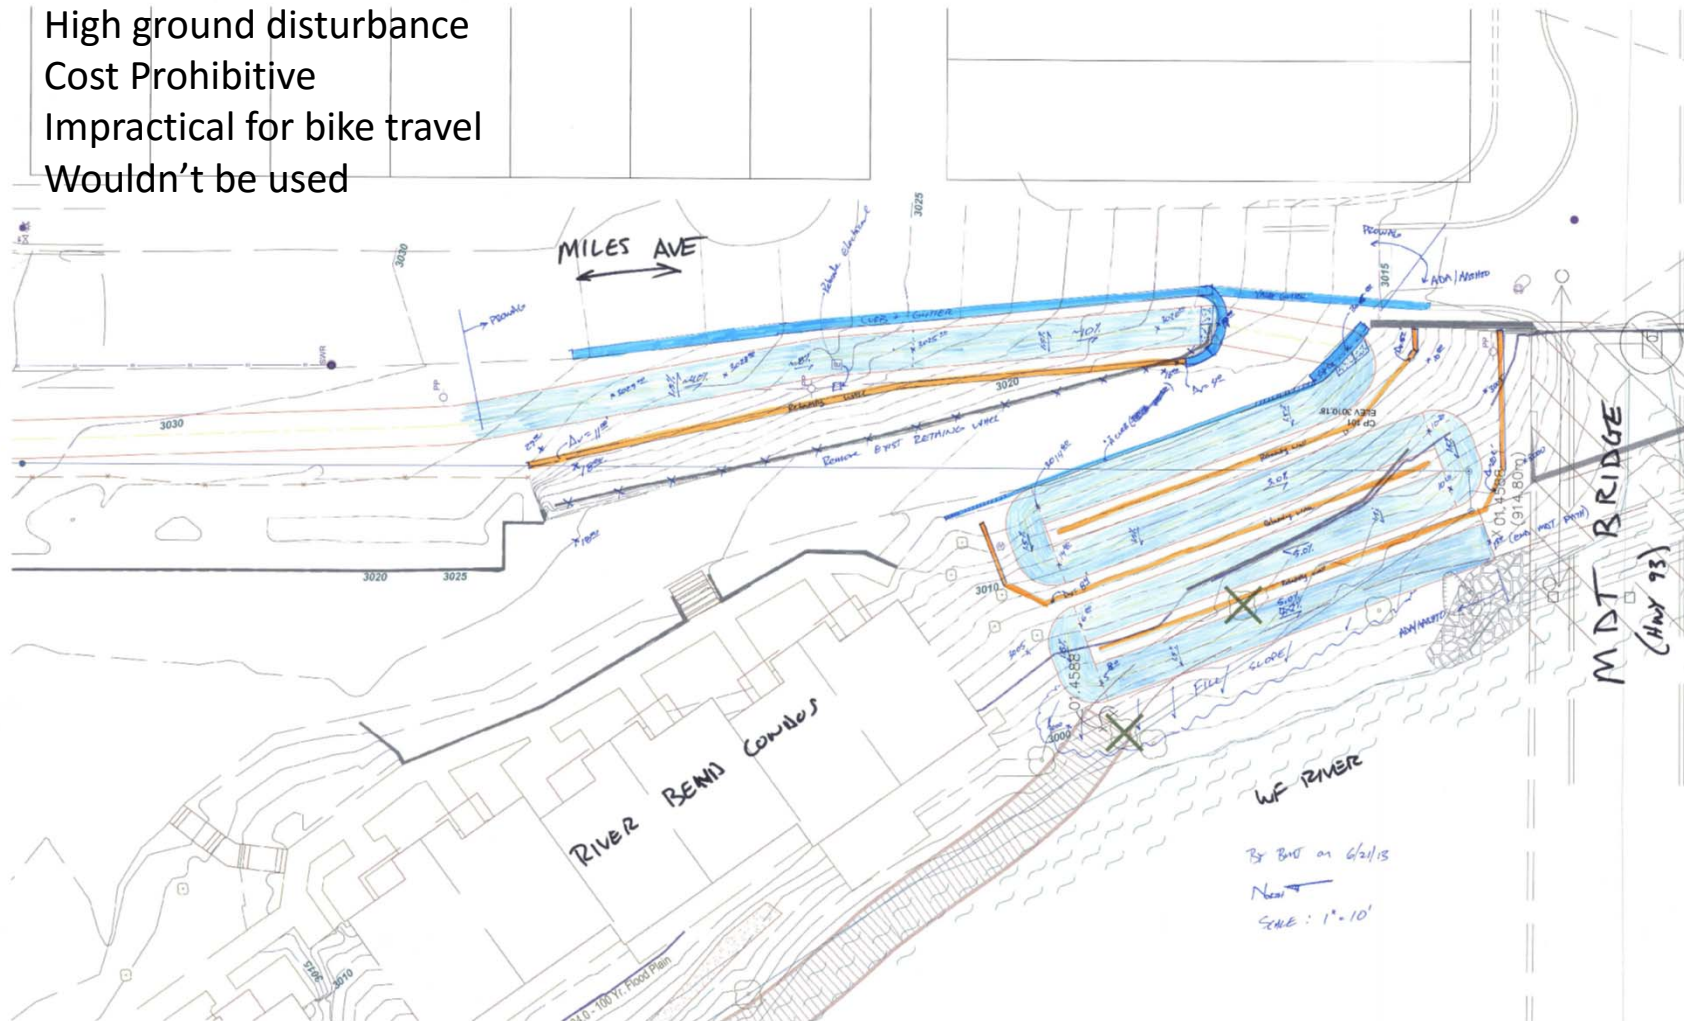

“Switchback Design”

Determined not to be feasible:

- High ground disturbance
- Cost Prohibitive
- Impractical for bike travel
- Wouldn't be used

“Boardwalk Design”

- FWP Issues
- Noisy
- No River Access

Proposed Trail Alignment

- 8' Shared Use Path
- Grade Separation from decks
- Recommended by FWP
- Maintain River Access
- Does not obstruct river
- Helps maintain views from Condos
- Helps protect Condos from erosion during high flows
